Women have all the skills, knowledge, and tools they need to be successful with money and finance. The biggest thing lacking? Confidence.

In this workshop you will:

Explore money personalities and how to overcome common scripts learned in childhood. Discuss money management skills that you can incorporate into reaching your financial goals, including salary negotiation, debt reduction and investing basics.

Build confidence through sharing powerful information about women's essential role in the economy.

Steve Bustos, Everence Stewardship Consultant, will host this webinar presented by Andry Chaux, Program Coordinator at Financial Choice (LSS) on Tuesday, Nov. 11 at 2 p.m. and 8 p.m. ET. Find the time that works best for you and register at everence.com/partners.
